

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

EPA Reg. Number:
88401-2

Date of Issuance:
03/21/2013

Term of Issuance:
Conditional

Name of Pesticide Product:
Micro-Pak® Enhanced
Packaging Sheets

Name and Address of Registrant (include ZIP Code): Micro-Pak Ltd., Suite 2504 Tower 6, The Gateway Harbour City, 9 Canton Road, Tsim Sha Tsui, Kowloon, Hong Kong

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product (OPP Decision No. 460858) is conditionally registered in accordance with FIFRA sec 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for re-registration of your product under FIFRA section 4.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration Number 88401-2"

Signature of Approving Official:

Monisha Harris
Product Manager-32
Regulatory Management Branch II
Antimicrobials Division (7510P)

Date:

03/21/2013

b. Submit a one-year Storage Stability and Corrosion Characteristics studies (OPPTS 830.6317 and OPPTS 830.6320), when they are completed.

On page 1 of the current label we note the addition of a company web site. Should you wish to retain a reference to the company's website(s) on your label, then please be aware that such a reference transforms the websites into labeling under the Federal Insecticide Fungicide and Rodenticide Act sec 2 (p)(2). The web sites are then subject to review by the Agency. If the web site contents are false or misleading, the product would be misbranded and its sale or distribution unlawful to sell or distribute under FIFRA section 12(a)(1)(E). In addition, regardless of whether a website is referenced on your product's label, claims made on the web site may not substantially differ from those claims approved through the registration process. Although EPA has not yet determined the extent to which it will routinely review company web sites, if the Agency finds or if it is brought to our attention that a web site contains false or misleading statements or claims substantially differing from claims approved through the registration process, the web site may be referred to the EPA's Office of Enforcement and Compliance Assurance.

The original proposed submitted label dated 2/07/2012 (pin punch 2/10/12) was amended and updated on 03/21/2013 (pin punch 03/21/13).

Submit promptly three (3) copies of the final printed label with the above noted comments, prior to releasing this product for sale.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely

Monisha Harris
Product Manager 32
Regulatory Branch II
Antimicrobials Division (7510P)

Enclosure: (Stamped Labeling)

Micro-Pak® Enhanced Packaging Sheets

[Controls] [Inhibits] [Effective Against] [Mitigates] Odor Causing Bacteria, Mold and Mildew

These Packaging Sheets are for commercial shipping use

Active Ingredient:	
Sodium Chlorite.....	0.2%
Other Ingredients.....	99.8%
Total.....	100.0%

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Micro-Pak® Enhanced Packaging Sheets are intended to [control] [inhibit] [mitigate] odor causing bacteria, mold and mildew on products enclosed in packaging intended for shipment. Items that may be packaged and treated in this manner would include footwear, clothing, luggage, handbags, purses, wallets, gloves, hats, belts, leather goods, sporting goods, furniture, and packing boxes, carpets, photo albums, musical instruments, toys, bracelets, jewelry, dolls, lamps, vases, baskets, footwear components, bedding, and tablecloths. **Micro-Pak® Enhanced Packaging Sheets** will keep products clean and fresh.

Open the **Micro-Pak® Enhanced Packaging Sheets** foil pouch. Remove a roll of **Micro-Pak® Enhanced Packaging Sheets** and place them in the Micro-Pak dispenser box, or use larger sheets directly from foil pouch.

Use of the Sheets

At time of final packaging, place one or more appropriate sized Micro-Pak Sheets as needed to cover the item to be packed and place protected item and the sheets into the normal packaging. Larger items will require larger sheets. For each square foot of product surface area, use approximately a total of 12 square inches of Micro-Pak sheets. The packages must be closed immediately after putting the sheets in the package and not reopened.

Maintenance of the Registered Product

Any unused Micro-Pak sheets must be placed back in the foil pouch and closed with tape for use within the next 24 hours. Close with tape in the foil pouch **Micro-Pak Enhanced Packaging Sheets** anytime they are left unattended. Dispose of sheets that are from a registered product container that has been opened longer than 24 hours.

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage or disposal

PESTICIDE STORAGE: Keep this product dry in original sealed packs when not in use. Store sheets in a cool, dry, well-ventilated area away from heat and flame.

PESTICIDE DISPOSAL: Place used sheets in a plastic bag, seal bag and place in an outdoor trash receptacle (dumpster).

CONTAINER DISPOSAL: Do not reuse empty packaging but place in trash collection.
